FOSTER CARE AGREEMENT

I, _____ (print name) hereby submit my application to provide foster care for birds in the Connecticut Parrot Society (CPS) adoption program. I have read the CPS Adoption Policies and Procedures, and willingly agree to the terms and directives set forth therein as they apply to foster care.

If I am selected to provide foster care, I understand that I am responsible for the well-being of any bird(s) placed with me by CPS until said bird(s) are adopted. This means that I will quarantine the bird(s), if necessary, and provide a proper diet, clean water, clean living and playing areas, appropriate out-of-cage time and social interaction with said bird(s).

I understand that there are inherent risks in having an exotic bird in my home, and I accept such risks. I fully and solely accept all responsibilities and liabilities associated with fostering any bird(s) for CPS.

I understand that any bird that I foster for CPS must remain in my care until it is adopted. In the event that this should become impossible, I agree to return said bird(s) to CPS. I understand that I cannot transfer possession of said bird, except through CPS. I understand that I cannot sell said bird.

I understand that selection for foster care does not imply approval for eventual adoption of any bird(s) placed in my care. If I decide to pursue adoption through CPS, I will fill out an adoption application and submit it, together with the \$25 non-refundable application fee, to CPS, for consideration by the adoption committee.

I certify that I have read and understood this agreement, and that I willingly accept all terms and conditions set forth herein.
