I understand that there are inherent risks in owning an exotic bird, and I accept such risks. I fully and solely accept all responsibilities and liabilities associated with owning any bird(s) that I adopt through CPS.

I understand that any bird(s) that I adopt through CPS must remain in my care. In the event that this should become impossible, I agree to return said bird(s) to CPS. I will not transfer ownership of said bird, except through CPS. I will not sell any bird(s) adopted through CPS.

I understand that this application will remain on file at CPS for six (6) months from the date of submission, or until CPS places a bird with me, whichever occurs first.
